

Greetings for the New Year 2018 from the Society of Anaesthetists in Radiology

It was good to see so many of you at our meeting last year. Over the last year our focus has been on providing another day where we can meet and discuss and follow up on the discussions regarding Finance.

Please see attached our programme for Thursday March 15th 2018 at the Royal College of Physicians. Please advertise and register for the meeting, which I am confident you will find useful.

Following on from discussions at our meeting, I have discussed financing anaesthesia in the Radiology Suite with NHS Finance. As many of you know, there is little additional funding and we need to address this, to ensure that our patients are not deprived from the expertise that we can offer. I will update you in the meeting, but I believe, we are the appropriate Society to encourage change, although this will be slow in coming.

Of course, to ensure we are credible, we need a strong society with a wide geographical base, and I am grateful to you for continuing to support the Society.

Please register for the meeting at www.aesculap-academia.co.uk

Please send poster submissions to: academia.bbmuk@bbraun.com

Best wishes

Dr Shane George
SAR President
